register.

Contact Courtney Aldrich,
MSU Extension Program
Instructor at 517-552-6909 or
aldric82@msu.edu with
question about the classes.

This FREE six session parenting series, authored by Chick Moorman and Thomas Haller, focuses on the language we use when talking to and with our children. Participants will learn a style of communication that models and promotes respect, encourages appropriate behavior, and effectively delivers consequences and positive discipline when children choose behaviors that are inappropriate.

Topics covered include:

February 13: Eliminating Unwanted Behaviors
February 20: Setting Limits
February 27: Teaching About Consequences
March 5: Giving Effective Feedback
March 12: Promoting Independence
March 19: Developing Character

At the end of the series, participants will receive a certificate stating how many class hours of the series they completed. Participants may participate in a unique series of classes next quarter and receive a second certificate.

MSU is an affirmative-action, equal-opportunity employer, committed to achieving excellence through a diverse workforce and inclusive culture that encourages all people to reach their full potential. Michigan State University Extension programs and materials are open to all without regard to race, color, national origin, gender, gender identity, religion, age, height, weight, disability, political beliefs, sexual orientation, marital status, family status or veteran status. Issued in furtherance of MSU Extension work, acts of May 8 and June 30, 1914, in cooperation with the U.S. Department of Agriculture. Jeffrey W. Dwyer, Director, MSU Extension, East Lansing, MI 48824. This information is for educational purposes only.
