PRESS RELEASE

FOR IMMEDIATE RELEASE

Sanitary Sewer Overflow (SSO) Wamplers Lake

July 24, 2020

The Jackson County Health Department has lifted the Public Health Advisory for Wamplers Lake. The Lenawee County Health Department is no longer advising it's residents and visitors to avoid contact with the body of water known as Wamplers Lake.

The Jackson County Health Department issued a Health Advisory on July 22, 2020, to avoid physical contact with waters of Wamplers Lake until further notice. The advisory was issued due to a discharge from a Municipal Wastewater Transmission line break, untreated sewage entered Wamplers Lake in the area of 1500 Wamplers Lake Road.

Based on results from water testing, the Health Advisory issued by the Jackson County Health Department on July 22, 2020 is lifted.

For more information contact the Lenawee County Health Department at 517-264-5213 or ehdesk@lenawee.mi.us
